Drums **Main**

The main drum pattern is written in 4/4 time. The top staff uses a simplified notation where 'x' marks on the top line represent cymbal hits and notes on the bottom line represent drum hits. The pattern consists of four measures: Measure 1 has a cymbal hit on the first beat and a drum hit on the second beat. Measure 2 has a cymbal hit on the first beat, a drum hit on the second beat, and cymbal hits on the third and fourth beats. Measure 3 has a cymbal hit on the first beat, a drum hit on the second beat, and cymbal hits on the third and fourth beats. Measure 4 has a cymbal hit on the first beat, a drum hit on the second beat, and cymbal hits on the third and fourth beats. The bottom staff shows the bass line with a half note on the first beat and a half note on the third beat.

Drums **Fill**

The fill drum pattern is written in 4/4 time. The top staff uses the same notation as the main pattern. The pattern consists of four measures: Measure 1 has a cymbal hit on the first beat and a drum hit on the second beat. Measure 2 has a cymbal hit on the first beat, a drum hit on the second beat, and cymbal hits on the third and fourth beats. Measure 3 has a cymbal hit on the first beat, a drum hit on the second beat, and cymbal hits on the third and fourth beats. Measure 4 has a cymbal hit on the first beat, a drum hit on the second beat, and cymbal hits on the third and fourth beats. The bottom staff shows the bass line with a half note on the first beat and a half note on the third beat.
